

## BUNCH 1000 Series Folder

The Bunch 1000 Series Folder is used worldwide to fanfold forms, labels, tickets and tags. The unit may be used in-line with most types of continuous forms, tags, and label presses or off-line with its optional unwind stand. A loop control device is available for product from a pinfed host device such as a printer, stamper, embosser, imprinter, or other unit.

## BUNCH 1000 Series Folder
